Highlights

18th Annual Invitational Golf Tournament

Left to Right: Tyler Bashlor (SBS), Tom Huberty (SBS), Sean Mann (Carpenters Special Representative), Jeff Donis (JLL), Rob Hartelust (Skanska)).

SBS enjoyed a fun day of golf with Antelope Valley Hospital's 18th Annual Invitational Golf Tournament. The tournament raises much needed funds to support enhanced healthcare options for the Antelope Valley. This year's golf tournament proceeds benefit Antelope Valley Hospital's Greatest Need.

The Antelope Valley Hospital Foundation mission is to raise funds for

the hospital's current needs and long-range growth. SBS is happy to sponsor and support AVH's foundation. We also want to thank George Rowerdink for bringing SBS on board with AVH for all of their Inspector of Record work and JLL for inviting us to join them in the tournament.

The Post-Anesthesia Care Unit project at Providence's Holy Cross Medical Center is now active after a long pause due to the pandemic. The project team, made up of Sautter Architecture (Architect), ETC Building & Design, Inc. (Contractor), and SBS (IOR), picked up where they left off to get things running and back on track. The project, which includes the addition to the existing building and interior remodel that will consist of changing the use of an existing sleeping room to allow for the relocation of the PACU, is now ready for demo.

ASHE Webinar: Just Ask ASHE Q4

Date:

Wed, Dec 15, 2021, 12:00 PM – Wed, Dec 15, 2021, 01:00 PM

Cost:

\$0 for ASHE Members, \$0 for Nonmembers

Description:

Join a panel of code experts to discuss the latest developments on emergency preparedness, CMS and more in regards to codes and standards requirements. Take the opportunity to ask questions that are important to you, your organization and field. The team of experts will share their best approach and highlight the best practices in the field.

Learning outcome:

- Better comply with code and standard requirements
- Understand member benefits in regards to codes and standards requirements

Moderated by: Jonathan Flannery, MHSA, CHFM, FASHE, FACH, Senior Associate Director of Advocacy, American Society for Health Care Engineering (ASHE)

CEC: This webinar offers 1 CEC for attending. CHFM 3- M&Op
